## ECCLIES HEIRS SEEK NEW TIME TABLE ON LEGAL TANGLE IN THE TO CONSOLIDATE THEIR INTERESTS THE UNION PACIFIC SYSTEM MARTIN CASE MAY CAUSE DELAY

In the matter of the estate and guardianship of W. J. Eccles et al., minors, Judge N. J. Harris granted the petition of the guardian, Mrs. Bertha M. Eccles, that she be released from the guardianship of Vivian A. Eccles, who is now of age, and also the petition for an order authorizing her to invest the estate of the guardian and his corporations to be hereafter formed, consolidating the interests of the Ogden heirs.

It was stated on the witness stand by David C. Eccles, administrator of the estate of David Eccles, deceased, that it was for the best interests of the Ogden heirs that the estate be kept intact and his father's affairs be attended to in the future as they were during his life. He said that all the major heirs, including his mother, had agreed to the consolidation of their holdings, and that arrangements for two corporations had been made. The administrator said that it was for the best interests of all concerned to handle the large holdings jointly rather than distribute each heir's share.

It was explained by the administrator that there are thirteen Ogden heirs, 12 children and his mother, who own five-sevenths of the Eccles estate, the value of which have been estimated at a little more than \$7,000,000, and that the Ogden heirs are desirous of taking stock in companies to be formed by them for the amount of their interests in the estate. It was said that a corporation to take over all personal property of the heirs, and one as a holding company of all the real estate have been proposed.

The attorney for the estate and the heirs advised the court that the company taking over the personal property which consists of stocks and bonds of various minor companies would be capitalized for an amount not less than \$900,000. The attorney also explained that W. J. Eccles will reach the age of majority within a year, but that Homer Eccles, the other minor, is only 14 years of age.

It is stated by some of the Ogden parties interested in the Eccles estate that Logan heirs will consolidate their interests in much the same way as the Ogden heirs are doing and that the interests of the two families will be completely segregated.

## FOOTBALL PLAYERS OF HIGH SCHOOLS MEET IN ZION

The Ogden high school football team departed for Salt Lake at 11 a. m. today and is battling this afternoon Salt Lake Eastside high school team on Cummings field for first place in the Utah High School league. All but one member of the regular team of the local school proved their eligibility to play, with regard to scholastic standing. That the boys were in exceptionally fine physical condition was attested by Coach Lon Romney and Principal J. E. Beeson.

Figuring that the Eastside Salt Lake high school team would be their strongest opponents for the 1915 pennant, the "Tigers" have undergone strenuous training for the past ten or twelve afternoons, under the direction of Coach Romney and Assistant Peterson and Shirley of the O. H. S. faculty and Coaches of Boulder, Colorado, who are remembered by local fans that the victory of the "Tigers" over the Jordan team was won without the use of "trick" plays. In the training of the past two weeks, "trick" plays have been used to a great extent and the local boys were in full readiness to use them on their Salt Lake opponents this afternoon.

The students of the local high school were made happy this morning at a special assembly, by the announcement that the faculty had decided to close the day's session at noon, to give all who desired the opportunity of going to Salt Lake this afternoon to "root" for the "Tigers." A crowd of about 100 took advantage of the holiday and departed for the scene of the contest at 1 p. m. It is expected that a number will remain in Salt Lake tomorrow to see the U. of U. Boulder game.

For the contest this afternoon, the following prospective lineups were announced by Coaches Romney and Fitzpatrick:

Ogden. E. S. S. L. H. S. Greenwell.....Le... Drinen (Capt) Fox.....Hurd Goodrich.....Coombs Browning.....Holt Streeter.....Brown Bagley.....Ottinger J. Falck.....Prouse J. Falck (Capt).....Romney Allison.....Barnes Dee.....Sutton Kingsford.....Snow

It was announced this morning at the high school that Jordan's protest on Ogden's victory in the game of October 16 had been dropped and the Ogden coach vindicated of the charge of playing an ineligible man.

## LEGAL TANGLE IN THE MARTIN CASE MAY CAUSE DELAY

Another chapter in the J. H. Martin robbery case will be written tomorrow when the attorneys for Martin file a petition with the supreme court for a writ of review of the proceedings in the district court in which the case was transferred to the Davis county court, and denial of a motion to have it reinstated in the Weber county court.

If the petition for review is entertained by the supreme court, it means further delay in opening the trial of the case, which has been set for November 2, as, in that event, the district judge will be cited to appear and show cause why the proceedings should not be reviewed. Hearing on the order to show cause could not be heard earlier than the middle of next week, which would be after the time set for the trial at Farmington, and it would not be taken up until after the petition before the court higher up be disposed of.

It is the opinion of the district attorney, however, that the supreme court will not entertain the petition, and that the trial of Martin will begin at Farmington as scheduled. He states that there can be no question as to the regularity of the proceedings in making the transfer from the Ogden to the Farmington division of the district court, as the order of procedure was agreed to by the attorneys for Martin.

It is said that it is possible that the supreme court may consider the petition next Monday, the day before the time set for the trial, but if it does not, there is a likelihood of the question not coming up until a much later date, and it may be that the matter will be set for hearing in regular order of the supreme court calendar.

## Villa Governor Announces Authorities No Longer Responsible for Lives and Property.

Douglas, Ariz., Oct. 29.—Two developments in the Mexican situation stirred civil and military authorities along the border today.

Carlos Randall, Villa governor of Sonora, was reported upon reliable authority to have issued a proclamation from Cananea to the effect that since the United States had seen fit to recognize Carranza, Villa authorities were not responsible for the lives of Americans in Sonora.
